**CURE OF BRONCHITIS.**  
 DR. WILLIAMS' PINK PILLS FOR PALE PEOPLE.—This is certainly the best

Two years ago I became afflicted with bronchitis which lasted about eighteen months. I was so afflicted that I was unable to breathe and I was very difficult to get to sleep, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of North Carolina for about a year, without receiving any benefit; in fact, I continued getting worse all the time. At last I was induced to try the G. C. M. Remedy. I bought a bottle and took it, and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when my satisfaction found that I was as well as ever. I had been previous to my illness, and have been ever since.

were decidedly better. She continued to improve so

CURE OF BRONCH

JOE CHAMBERLIN, Pa.—Thirteen years ago I became afflicted with which lasted about eighteen months. I for the want of breath that it was very difficult to speak and at the night time frequently awoke and reaching to my throat I tried three of the most eminent physicians of Nottingham for about a year without benefit; in fact, I continued getting worse. At last I was advised to try the Grippe Remedy. I bought a bottle and took it for about five days. In time to feel a little continued to use it until I had taken three to my satisfaction. I found that I was as I had been previous to my illness, and have since.
